Jordanstown Alumni  
GAA Fund

## Jordanstown Alumni GAA Fund

Supporting our Gaelic stars of the future

The University of Ulster is deeply proud of its achievements in Gaelic Games. Our Jordanstown campus provides a world-class sporting experience for talented Gaelic Footballers, Camogs and Hurlers with players benefiting from both the world-class facilities and coaching. Today the Gaelic Football Club at Jordanstown is one of the largest sporting clubs in the country with over 1,000 members and a highly active and well-organised alumni association. Over 50 All-Ireland titles have been secured in the Club's forty year history and the Club continues to compete at the highest level, including a recent 9<sup>th</sup> Ryan Cup title, an achievement unrivalled by any other university.

The quality of our players is the foundation of the Club's success, with the current team boasting top senior inter-county players such as Jamie Clarke, Chrissy McKaigue, Colin Walshe, Niall McKeever and Mattie Donnelly. In the past the Jordanstown team has produced All-Ireland winners including DJ Kane, Brian Burns, Enda Gormley, Dermot McNicholl, Sean Cavanagh, and Karl Lacey as well as All-Stars recipients such as Kevin McCabe, Paddy Bradley, Sean Marty Lockhart, Enda McGinley and Andy Moran .

The University of Ulster will soon be launching a new scholarship programme which is dedicated to attracting and supporting our future Gaelic stars.

**The Jordanstown Alumni GAA Fund** will offer both full and partial undergraduate and postgraduate scholarships, providing vital financial assistance for talented GAA players towards fees, accommodation, equipment and specialist training.

## Pledge Your Support

### Help us be the best!

With the help of the Club's friends and supporters the new Fund will help us to continue to attract the very best players to our Jordanstown campus.

To pledge your support for the new Fund please [complete the form below](#). A member of the Club will be in touch with you to let you know how your gift can help.

We also have tax-efficient opportunities for corporate sponsorship of a range of GAA Club activities, scholarships and research programmes.
